

# April 2022 Newsletter

As of April 4<sup>th</sup>, we will be welcoming all our families back into the Center for the first time in over two years! We've been talking to the children about welcoming you back, and the children are so excited to show you their classrooms and their cubbies. We're happy to get back into the routine and we are looking forward to showcasing our Center and everything we have to offer to the families who haven't been able to see the center since starting with us! We are super excited and hope that it will be a smooth transition for everyone!
