

# June 2024 Newsletter

**Sunday, June 16<sup>th</sup>** is Father's Day! Little Scholars would like to wish all the fathers and father figures that are part of our Little Scholars families a fantastic day and a wonderful weekend! We often hear the children talk about how much they love and miss their dads, and we want to recognize how important your role is in the Little Scholars community.

Enjoy your day!

## Social Media

Make sure to follow us on Instagram and Facebook! Also, be sure to check out your child's private class group for daily updates on the class. The private groups are a great way for us to keep you updated with pictures and statuses, so make sure to keep an eye out!

## Indigenous Peoples Day

**June 21** is National Indigenous Peoples Day. This is a day for all Canadians to recognize and celebrate the unique heritage, diverse cultures and outstanding contributions of First

Nations, Inuit and Métis peoples. The Canadian Constitution recognizes these three groups as Aboriginal peoples, also known as Indigenous peoples.

Although these groups share many similarities, they each have their own distinct heritage, language, cultural practices, and spiritual beliefs.

In cooperation with Indigenous organizations, the Government of Canada chose June 21, the summer solstice, for National Aboriginal Day, now known as National Indigenous Peoples Day. For generations, many Indigenous peoples and communities have celebrated their culture and heritage on or near this day due to the significance of the summer solstice as the longest day of the year.

## Soccer Shots

We will be welcoming Soccer Shots back to Little Scholars! If you have a child in Preschool, they will have a chance to participate in some fun soccer activities on the playground!

Preschool 2 will be on June 3<sup>rd</sup> & Preschool 1 will be on June 4<sup>th</sup>, both from 9-10 am. Please make sure your child has appropriate footwear and a hat!

## Picnic Day

International Picnic Day is June 18<sup>th</sup> so we have decided to have a picnic.

With weather permitted, we will have afternoon snack outdoors and enjoy the nice summer weather.

## Water Play Day

June 25<sup>th</sup> is our Water Play Day! On this day, Little Scholars will be providing water for the children to play with.

Please make sure that your child/ren have bathing suits or extra clothes that are appropriate for water play and a towel (Weather permitted)

## Rainforest Day

Organizers of this annual day say 20% of the oxygen we breathe and the freshwater we drink is attributed to rainforests of the Amazon. They absorb carbon dioxide, stabilize climate patterns, and are home to half the world's plant and animal species. The concern of organizers is that an area the size of 40 football fields is lost every minute of every day.

June 22 is World Rainforest Day. The day has been set aside to help protect rainforests by raising awareness and encouraging action to protect them.
