programs and the children have not gone unnoticed,
and we appreciate all that you bring to the table.

love can go a long way. Have a wonderful day
Everyone!

Little Yogis Academy is non-traditional
yoga program that combines
mindfulness, movement, games, and
yoga challenges to build flexibility and

balance to give children a full and active
experience. Children will develop tools for relaxation
while moving their bodies, building friendships, and
learning to connect with themselves and the world
around them in a deep, meaningful way. They will visit
Little Scholars on October 11 from 9-11am, so if you
don't want your little ones to miss this amazing
opportunity, please make sure they are here before 9am.

No one should go hungry this
Thanksgiving so lets work together to
fight hunger in our community!

Little Scholars will be hosting a food
drive starting October 7-10th. Drop off
